# Prayer Diary

**Monday** We pray for the regular services that take place at Marnel Lodge & The Grange Care Homes. Enable those who lead and speak at these and we pray for good conversations with residents that point them to the hope we have in the Lord Jesus.

**Tuesday** We pray for our Families Minister advert to reach the right people, and that God will raise up a Christlike, gifted and inspiring person to join our team and lead us in our ministry to reach more children, young people and families from all parts of our parish.

**Wednesday** We pray for our Pastoral Care Co-ordinators - they would be enabled and strengthened for this ministry that you have given them. We pray that our church will be a place where all are loved and cared for in the Lord Jesus. Especially this month we pray that the Bereavement Cafe will be a blessing to many.

**Thursday** Pray for our Mission Partner Focus this month.

**Friday** We pray for Little Acorns Baby & Toddler Group and for those who serve faithfully in this ministry each week. We pray that seeds sown through the Bible story, songs, craft and conversations will bear much fruit for God's kingdom.

**Saturday** We pray for the Holy Spirit's enabling of all who will be teaching God's Word tomorrow morning - in Creche, Sunday Club and in the main service(s).

**Sunday** We pray for all who will gather in our church buildings this morning, and for those unable to attend in person. May all be nourished by God's Word, encouraged by one another and bring glory to the Lord Jesus as we worship him together. We pray also for Families at 4 to draw many families in to hear about and experience the love of Jesus.

## MISISON PARTNER FOCUS

- Give thanks for our faithful volunteers who give their time week after week, and for the churches, local community, schools and businesses whose generosity makes our work possible.
- Give thanks that our donations continue to match our need and please pray for our donors to continue to support us where they are able, despite the increasing food prices.
- That each person who walks through our doors will be met with warmth and leave with everything they need to feed themselves and their family. That we can also help them take steps to move out of poverty.
- For our partnership with the council's anti-poverty strategy work, that our input is helpful in informing the council's plans to reduce local poverty. That these plans will be beneficial to those in hardship in our community.

- Thanks for our new advisers and pray that they will continue to grow in knowledge and grace as they gain experience.
- Pray that others might step forward and we would have more opportunities to share our work with local churches.
- Pray that we might continue to break down any barriers and that prospective clients might follow through on the help being offered.
- Pray that local church members might not only be telling others about the support available but also being willing to accompany those who indicate a need.
- Statistics show that over half of people in the UK are in debt. Pray that our publicity and service might be effective and that the message gets to those who need to hear.
