Prayer Diary

Monday Pray for opportunities this week - as individuals and as a church - to connect with people, share God's love with them and grow in faith in Jesus. May God work through all our efforts to build his church in SWP.

Tuesday Pray for our summer sermon series in Luke 6 & 7 as we explore Jesus' teaching in the Sermon on the Plain. Help those preparing and preaching and all of listening, young and old, to be transformed by the Holy Spirit as we listen to God's Word together.

Wednesday Help us to be humble as we learn and joyful as we respond. We pray especially for all those involved in hosting, helping with and leading our Homegroups, for a fruitful equip morning on 18th July and for a positive relaunch in September.

Thursday We pray for all who are preparing to serve in different ways on Sunday morning. May God empower them to use their gifts for his glory and fill them with joy.

Friday Pray for those who find the summer a difficult time, especially those who are isolated with fewer organised opportunities to gather for mutual support and encouragement. May God help us to find other ways to love and care for one another during these months.

Saturday Pray for our Mission Partner Focus this month.

Sunday Pray for all who will gather in our church buildings this morning, and for those unable to attend in person. Help us to especially look out for those who are new or are in particular need of support and encouragement at the moment, give us all opportunities to speak truth in love to one another.

MISSION PARTNER FOCUS

Bishop Ishaya Baba, Zaria Diocese, Nigeria

Ishaya first visited Sherbornes with Pamber 15 years ago as part of a Mission Team and has stayed in touch with and prayed for us ever since. Crosslinks organise an annual conference for clergy in Ishaya's Diocese which we support.

Give thanks for his faithful leadership, godly wisdom and dedication to the Gospel. Pray that his ministry continues to inspire, strengthen and guide God's people in Zaria. Due to security concerns there has been an influx of people relocating from rural areas. However, praise God, this has led to 4 new churches being started in urban areas but this also creates a language issue. Please pray for leaders wisdom in this area. Please pray for God to open doors to enable churches to buy land, which is not possible at the moment.
