Prayer Diary

Monday - We pray for the three schools in our parish and all who work, volunteer and learn in them: Everest, Sherborne St John & The Priory. May they be places where all can flourish and thrive and please provide opportunities for the good news of your love in Jesus to be shared.

Tuesday - We pray for wisdom as we explore ways we could improve St Andrew's building and the possible recruitment of someone to lead our outreach ministry to families.

Wednesday - May all who are suffering at this time know your unfailing kindness and peace that passes understanding. May they be strengthened to persevere in faith, hope and love, for your glory.

Thursday - Our Mission Partner Focus this month (see below)

Friday - We pray for all who will be serving at church this Sunday in whatever capacity, may they rely on God to enable them and serve him with enthusiasm and joy.

Saturday - We pray for the wider church across our deanery, diocese & nation. May those who shepherd your people be encouraged in their ministry and be faithful servants of Jesus.

Sunday - We pray for all who will gather in our church buildings this morning, and for those unable to attend in person. As we begin a new sermon series in James, help us to be encouraged in our faith in Jesus, eager to hear his Word and enabled to do what it says.

MISSION PARTNER FOCUS

Please pray

- For those needing to visit our Foodbank Centres that they can overcome any apprehension, will feel welcomed and relieved that they will have food to feed themselves and their family.
- That the additional support we can offer will help them to permanently move out of crisis.
- As our Harvest donations are starting to arrive, we would appreciate prayers for generous donations as our stock is quite low.
- Some of our volunteers are experiencing various illnesses at the moment.
- As more clients come forward for our Coaching programme that we will be able to provide the one to one help that will move them forward with their issues.
- Prayer for our new Community Coaches as they engage with clients.
- Prayers of thanks for the churches that host our centres and thanks for the continuing support we receive from the churches, the local community, schools and local businesses.
