Prayer Diary

Monday We pray for those who are finding life difficult at the moment for any reason. May God give all of us the spirit of wisdom and revelation that we might know him better, may the eyes of our hearts be enlightened so that we may know the hope to which he has called us, and his incomparable great power for all who believe in him.

Tuesday We pray for our Mission Partner Focus this month. Pray also the Crosslinks Nigeria School of Biblical Training Conference taking place 10-17 October involving Bishop Ishaya and many of his clergy.

Wednesday We pray for all involved in mission and ministry with children and young people. Pray for parents, grandparents and carers, for those who lead and help at our weekly toddler group, for those who prepare for, lead and help with our children's groups on Sunday mornings and for the Families at 4 and Youth at 4 teams. May God give patience, love, wisdom and energy as we seek to help the next generation grow in faith in the Lord Jesus.

Thursday We pray for all who are preparing to serve, teach and lead in different ways on Sunday morning. May God empower everyone to use their gifts for his glory and fill them with joy. Help us all to prayerfully consider the part God is calling us to play in church life going forward.

Friday We pray for those who don't yet know the love of God for us in Christ. Help us all to be invitational, courageous and compassionate as we seek to share the good news of Jesus with our friends, family, neighbours and everyone who lives in our parish.

Saturday We pray for our unity as a church family, may we rejoice that the cross of Christ brings us together to God and grow in our love for one another across all natural boundaries and differences.

Sunday
"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."

MISSION PARTNER FOCUS

Wycliffe
Bible
Translators

Please pray for Joe and Sarah Potter and their four boys serving with Wycliffe Bible Translators in Mozambique and the Ngoni Translation Project.

As we strive to see a world where everyone can know Jesus through the Bible, we thank God:

- For all the people he has called to this work and put a calling in their hearts to unlock God's word for every heart
- For the 197 Million people who gained access to God's word in their own language, for the first time last year
- For reaching a milestone of 800 full Bible translations

We ask that you would pray with us for the 1 in 5 people worldwide who don't have access to God's word in their language. Specifically:

- Please pray for the 4,400+ Bible translations in progress and at varying stages and that more people would come to Christ as translations are being made available and introduced into communities for the first time
- Please pray for the 550 (ish) languages that have no scripture or any work in progress.
- Pray that God would make himself known to them in other ways and call people to the task of Bible translation
- As Bible translation is accelerating around the world, with a new language translation starting at the rate of 1 every 19 hours, help Wycliffe and our partners as they develop
- partnerships with new donors and churches
